

Playhouse Build

Habitat for Humanity San Luis Obispo County is proud to introduce our Playhouse Build program, providing children with a space to play, create, and call their own.

How It Works

Teams spend a day working together to decorate and assemble a fully functional children's playhouse. The playhouse is donated to a Habitat SLO partner family, local ReStore, or to a local family who is nominated by the community or sponsoring group.

Playhouse Builds are hosted at your group's preferred location. This could be your office parking lot, a local park, or our ReStore parking lot. Each playhouse build can accommodate up to 10 volunteers but can be tailored to fit your group's preferences.

Requirements

- A full day commitment (9:00 AM - 3:00 PM)
- All volunteers must be at least 18 years of age
- No prior construction experience is necessary!

Sponsorship

When your group sponsors a Playhouse Build, the buy-in donation covers the foundations of the build day, including the cost of materials, transportation, staff and instruction. Your donation also supports Habitat SLO's mission. Playhouse Build sponsorship opportunities start at \$2,500.

Corporate participation in events like these is a great way to build a culture of social responsibility among staff and provide a unique team building experience.
