

BUILD *joy* **with us**

HOW IT WORKS

Teams of 6-10 volunteers sponsor a playhouse build where they spend a day working together to decorate and assemble a fully functional children's playhouse. No construction or artistic experience is required; as always we provide all materials and trained, certified staff are available on site to lead the day.

BUILD DAY SCHEDULE

9:00am: Paint & Design

12:00pm: Lunch

1:00pm: Build Playhouse

3:00pm: Finished

DONATION NOMINATIONS

Most often, completed playhouses are donated to a local family thanks to the generosity of each Playhouse Build sponsor. A playhouse recipient might be a Habitat partner family, a family chosen directly by the sponsor, or a family who was nominated by a member of the community. Nominations are always accepted for this program.
